Here are some sample blurbs that you can use, if you'd like. Thank you for your support!

Would you like to be debt-free? This book will show you how!

U.S. consumer debt recently hit an all-time high and millions of Americans are struggling to make ends meet. ***Debt is Slavery: and 9 Other Things I Wish My Dad Had Taught Me About Money*** offers hope. The book takes a unique approach to personal finance. It focuses on changing the way you *think* about money, since your perceptions about money determine how you handle your finances.

The author, Michael Mihalik, uses his personal triumph over debt to illustrate 10 lessons about money that will show you how to become financially secure and debt-free. (www.octobermist.com)
